

# Long Practices Benefit Softball And Tennis Teams

Softball practice began in spring. Extra batting and fielding improved each member's playing ability. Radio music made hot practices more bearable. At season's end they were declared Lower State Champions.

Individual practice helped shape up each member of the tennis team. Under Miss Early and Mr. Edson, the members participated in many matches, including the tournament at Hilton Head where 4 members reached the semi's.

1. First row: Ray Wells, Sara Warren, Jane Thompson, Ann Purcell; Allyn Price, Banks Wannamaker, Larry Hunter, Tommy Huffman, Rob Burnett, Robert Blake; Charlotte Walter, Lisabeth Conklin, Mary Sowell.

2. No. 1 boy's player Banks Wannamaker powerfully returns his opponent's serve.

3. A single by eighth grader Reggie Huber drives in the winning run.
