

Lagan  
it's been  
great ~~at~~ knowing  
you this year. I hope  
you have a great summer.  
P.S. Good luck  
with the girls.  
Tim

## Opening Day Sets Pace For Year

As the brief summer drew to a close, students once again came together to gain knowledge through study to prepare them for the road of life. Working together as a team, both in the classroom and in extracurricular

activities, such as clubs and plays, students gained insight for the solving of the problems of tomorrow. Each member of the team applied what he had learned to benefit not only himself but also the others around him.
