

English Requires Outside Study

Upper School English teachers strived to improve the grammatical skills of their students. Topics of everyday concern included

grammar, literature, vocabulary, and composition. Outside studies involved book reports and term papers. Volunteer, as well as man-

datory, speeches improved each student's ability to express his feelings. Also, the library provided materials for book reports.

MISS RICARDA BERRY: English I; 8th English; Bible; PIERIAN; Pep Club; 7th.

MR. BILL JACOBS: English IV; V; PIERIAN; Key Club; 10th.

1. Smiling, Buster Way shows off for a friend across the room.
