

Foreign Languages Focus on Cultures of the World

Foreign languages expanded students' knowledge of various languages and cultures of the world. To enrich their skills in foreign language, French and Spanish students attended a language weekend at Wofford College. A Mardis Gras and a banquet were held during the year for the French stu-

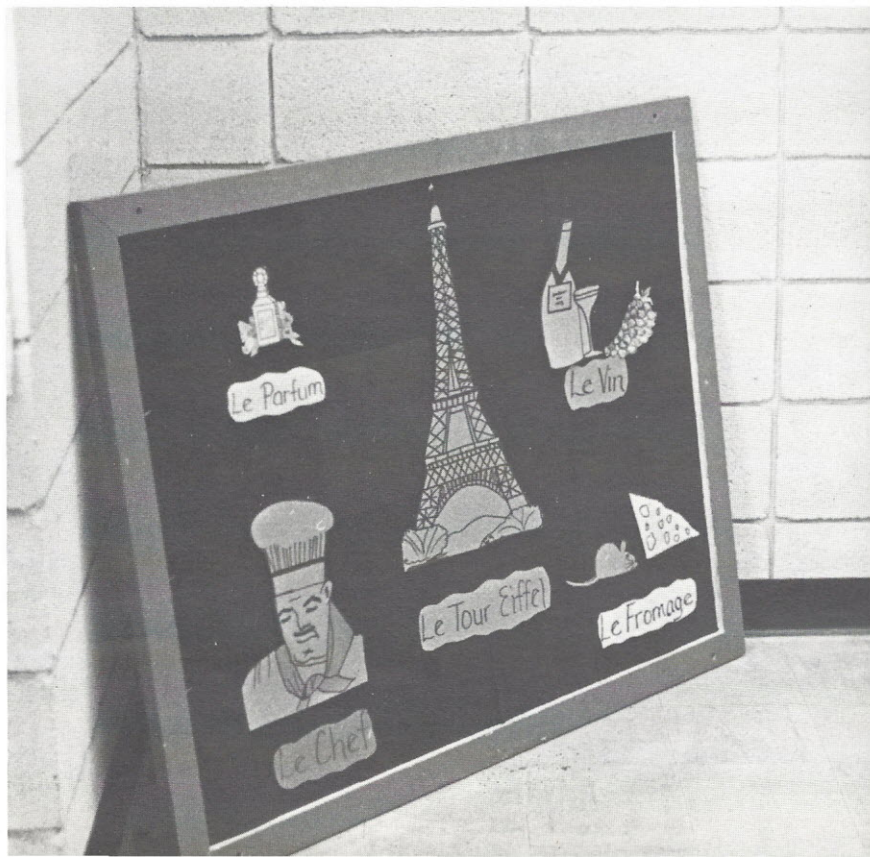

dents. Spanish students had a fiesta to copy the Spanish ways of life. Latin students participated in the many activities of the Latin Forum at Winthrop College. They had a Roman banquet to experience the dress and the customs of the ancient Romans and to use their newly acquired language skills.
