

Numerous Projects Involve Inquisitive Minds

First, second, and third graders were involved with many varied activities throughout the year. Making snail and ant farms and preparing South Carolina scrap-

books were included in these projects. Math Quizo Aids, records, films, and posters furnished the teachers with numerous aids to education.

MRS. WINNIE BETSILL: 3rd.

MRS. KATHY BLACK: 3rd; Grade Level Chairman.

MRS. SARAH SMITH: 3rd.

MRS. SUSAN ZEIGLER: 3rd.
