

Graduation Ends Sixth Graders' Year

The sixth grade class took on many additional responsibilities as the oldest class in the Lower School. Taking part in the physical education classes built up the stamina and coordination of the students. The sixth graders were members of the Saturday basket-

ball teams in preparation for the jayvee teams. The students struggled with many tests and semester exams to prepare them for Upper School. The long-awaited graduation from Lower School highlighted the year and completed of their course of study.
