

# Rain Fails to Dampen Homecoming

Rain did not seem to dampen the excitement of the Homecoming game. During the half-time activities as the players and their sponsors were introduced, the rain stopped. A hush swept over the crowd as the Homecoming float

with the theme of "Colour My World" was driven onto the field. Ginger Kears was named the 1976 Homecoming Queen and Dawn Fleming, Maid of Honor. The two attendants were Bonnie Campbell and Linda Frierson. A

victory over Thomas Heyward added to the excitement of Homecoming. To complete the Homecoming festivities, the sponsors and their escorts were honored at a dance after the game.
