

Student Council

Benefits From Carnival

The Halloween Carnival, held on October 28, was sponsored by Student Council. The carnival was a success mainly because of a joint effort of the Lower School and the Upper School homerooms. This year a balloon booth and a hammering booth were added to

the usual variety of attractions. The carnival was the chief source of fund-raising for Student Council. Over \$1,000, which would be used for various projects throughout the year, was cleared from the Halloween Carnival by Senior Student Council.
