

Involvement

Talented students became involved in activities best suited to their personalities whether it be Key Club, cheerleading or annual. Endurance and desire led to unity resulting in great

achievements through concentrated teamwork. The thrill of accomplishment in each student's field was worth the necessary time and effort exerted to fulfill his dream.

Logan,
 It has
 been so nice
 being in your
 class. Hope I
 see you next
 year in my class.
 Summer (maybe
 play a game to
 tehnia)
