

Booster Club Aids Athletic Program

Booster Club members worked tirelessly this year in order to augment the WHA sports' program. They operated the Rebel fair booth to obtain funds for the two banquets which they sponsored. Many members also helped sell tickets and refreshments at football and basketball games.

1. Working diligently, Booster Club members cook steaks for the athletic banquet.
2. At the football banquet Mr. Bill Taylor amuses everyone with some tall tales.
3. At the fair Mrs. Salley, Mrs. Houser, and Mrs. Shuler enjoy a break from working.
