

Varsity Girls Perfect Techniques

Every day from 3:30 to 5:00, the thirteen varsity girls practiced to perfect their moves and techniques. Line taps and wind sprints strengthened the endurance of the

Lady Rebels. The team was able to confuse the opposing defenses with the use of seven offensive plays. The Lady Rebels keyed on a tough man-to-man defense.

Under the leadership of new head coach Monty Smith, the girls were able to produce a 15-3 record and earn the title of Region 2-AA and state champions.
