

# Fran Mixson Is Winner Of Tommy Wannamaker Award

Leadership, scholarship, dependability, character, citizenship, and service to school were the criteria for the selection of Fran Mixson as the recipient of WHA's highest student award — the Tommy Wannamaker Award.

A student at the Academy for six years, Fran has participated in all phases of school life. She served as president of her sophomore class and has held various homeroom offices throughout her upper school career. This year she served as secretary of Senior Student Council.

Having been a member of the *Rebel* staff for three years, she served as editor-in-chief this year.

Fran participated in the junior varsity basketball program and served as manager of the varsity girls' team her junior year. She has held membership in the Latin, Spanish, and Science clubs.

A B+ student, Fran was selected a delegate to Girls' State, was named a recipient of the Junior Service League Distinguished Youth Award, and was elected Miss Rebel. She was also a Homecoming attendant.

Besides her school activities, she found time to work as a Candy Stripper at the Orangeburg Regional Hospital and as secretary in her father's office.

Fran plans to enter the College of Charleston in the fall.
