

Halloween Carnival Brings Fun And Excitement To Many

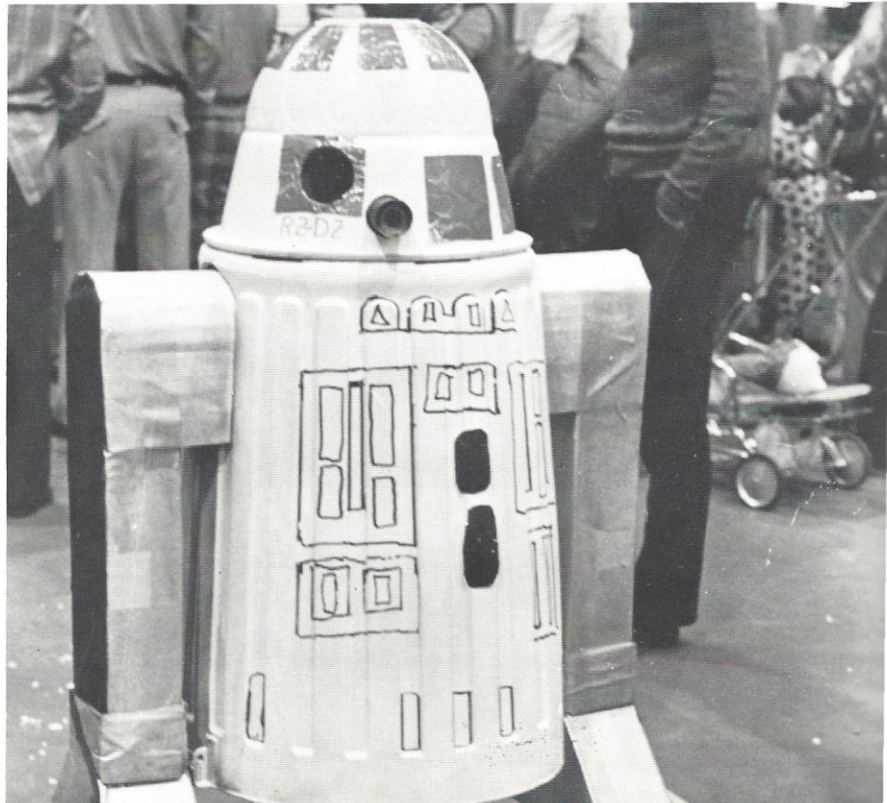

Through the diligent efforts of Student Council, the annual Halloween Carnival was held. The Spook House designed by the senior class horrified many. Numerous games tempted students to try to win a prize. Baked goods, plants, and pickles from the Coun-

try Store and handmade items from the Lower School Handicraft Booth were purchased by both parents and students. Other highlights included the Key Club's Car Bash, the Sponge Throw, the Teacher Freak Show, and a Costume Contest.
