

# Class Of 1979 Leads Upper School In Spirit And Pride

Throughout the year the class members have become closer, and many friendships were made stronger by working together toward common goals: a successful Senior Class play, a "spooky" Horror House, an enjoyable

Queen of Hearts, and an educational and fun Washington trip. The culmination of the year's events was graduation when the Class of '79 bade farewell to WHA and faced new beginnings in the world awaiting them.

1. Seniors enjoy a picnic in the amphitheater.
