

Well I began we made it through Spanish class I don't know how but we did. I hope you had a good year, mine was great except for the 3 weeks I was sick. I'm glad I've gotten to know you this year even though you have me crazy in chemistry class with all your right answers. I hope we'll be in some classes together next year and see Jr.-Sr. had better be good - or else! (just kidding) well have a great summer. Stay sweet + good-looking and you'll go far.

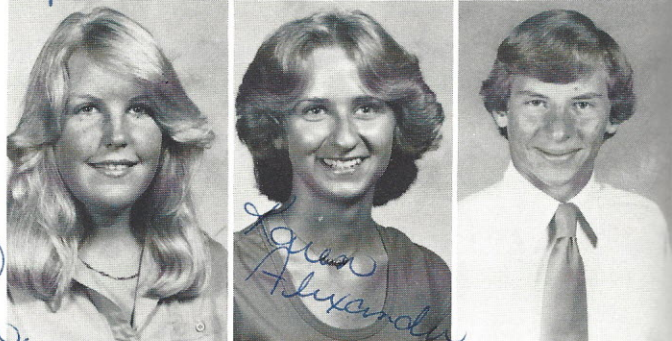

Love ya lots,  
Karen

# Juniors Sponsor The Country Store At Halloween Carnival

Juniors enjoyed participating in many of the school activities. Students worked hard to make Jr.-Sr. the best ever. Sports and other activities occupied much of their time also. Magazine sales helped to greatly increase the class treasury.

The yearly trip to Columbia was educational and enjoyable. Juniors visited the State House and State Supreme Court. The highlight of the year was receiving class rings. Juniors began to prepare themselves to be next-year's seniors.
