

# 9th Graders Approve Title Of Freshmen

This year's freshman class with ninety-three students was the largest in the Upper School. A variety of extra-curricular activities gave freshmen an opportunity to participate in school functions. The operating of the penny pitch, the teacher freak show, the putt-putt course, and the basketball shoot at the Halloween Carnival provided a challenge for many of the students. Attempting new and harder subjects proved to be a time-consuming task for the freshmen.

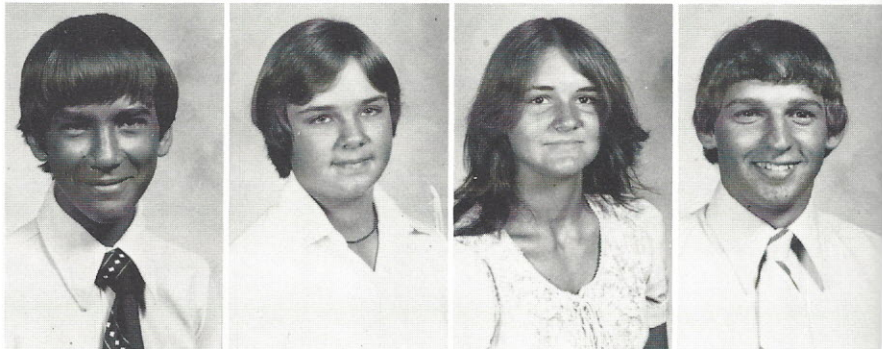

1. Freshmen participate in class competition at a pep rally.
