

Kindergartners Act Out Bible Stories

The kindergartners were very excited about their first year at Wade Hampton. Each week they learned phonics and numbers. Also, a zoo was created by drawing animals whose

names began with the letters of the alphabet. Throughout the year the students studied various countries. The kindergarten participated in Queen of Hearts and attended an

Egg Hunt during Easter at a local farm. Recess, using the playrooms and acting out Bible stories were favorite activities. Walls were decorated for the holidays.
