

# May Day Festivities Give Tribute To Spring

The 1978 May Day festivities were held in the McAlister Auditorium. After Steve Cook welcomed parents and friends, the processional began. Two girls from each grade, seven through twelve, were elected to represent their classes.

Dr. Gressette crowned Cheryl Williams May Queen, and Jill Campbell was named Maid of Honor. The Queen and her court were entertained by the WHA Kindergartners who sang "Spring" and "I Skip and I Run." Thirteen girls from the fifth grade performed the Pu-ili Stick Dance, and Spencer McDonald sang "My Way." The traditional May Pole Dance was put on by the sixth graders. After the recessional refreshments were served.

Lower School students competed in several field day activities at the conclusion of the festivities.
