

Student Council Meetings Inspire New Ideas

Student Council met every Monday after school to discuss issues and proposals pertaining to the student body. Junior Student Council ran the school store for the purchase of supplies dur-

ing homeroom period. Each of the classes in the Upper School participated in the annual Halloween Carnival held by the Council to raise money for the treasury. The Council also

sponsored a dance following the Homecoming football game. The canned goods donated by students made the Christmas holidays much happier for the underprivileged.
