

# WHA Chorus And Band Perform

Once again the Chorus captivated the attention of its audiences with its annual performances at Christmas and in the spring. Special music was provided by a boys' quartet and a girls' octette. Various Chorus members sang individually. The Chorus was

under the direction of Mrs. Marolyn Blanton. The band, directed by Mr. John Havu, played for the enjoyment of the audiences at the Chorus programs and at football games. Afternoon practices enabled band students to further their musical skills.
