

Language Students Celebrate With Banquets

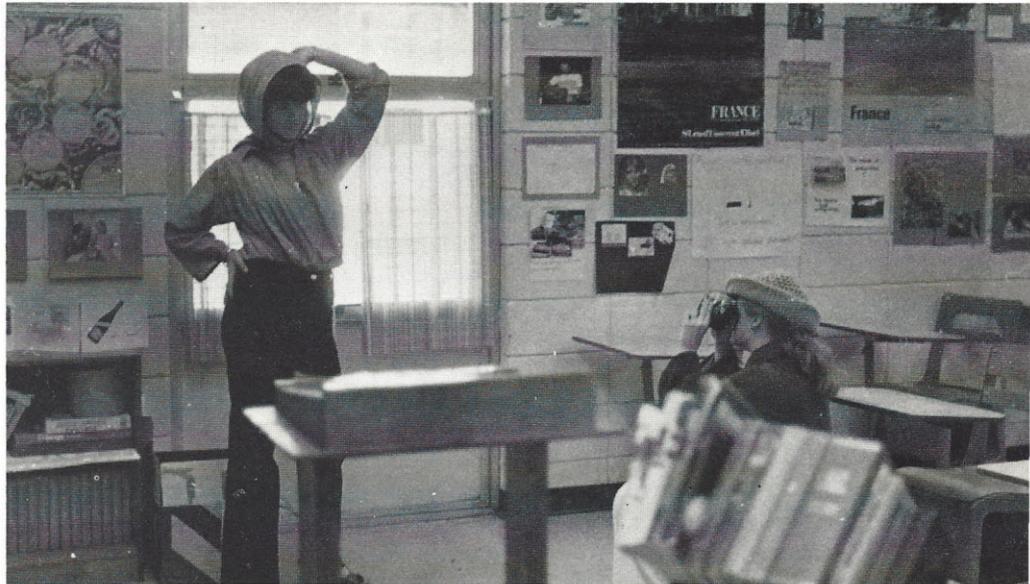

Language students of W.H.A. enjoyed end-of-the-year celebrations with banquets. Latin students participated in the Roman banquet com-

plete with togas, tunics, and Roman food. Spanish students prepared "real" Spanish food for their Spanish fiesta. French students had their ban-

quet at Berry's-on-the-Hill and enjoyed the elegant French cuisine. Authentic dress of the countries represented was worn by each student.
