

Logan,
 Well, can you believe that this year is finally
 over? I guess it really went
 by sorta fast! We sure are getting old quickly!
 I only know I'm ready to
 be a senior! I do bad
 you couldn't be in our
 class. We'd have some
 fun! Next year's football
 team will be the best ever! You better believe I will
 be at every single game!
 We could be the 1979 State
 Champions! That would
 be fantastic!

Cheerleaders Show Devotion And Loyalty To Their School

Wade Hampton's Varsity cheerleaders aroused spirit with cheers and chants at both football and basketball games. The squad, consisting of nine girls, displayed untiring eagerness, devotion, and pride in their school. Practice began after their election in May and continued through summer. At American Cheer-

leader Association Camp their discipline was rewarded with the title "Most Outstanding Squad." Training proceeded during the year even Tuesday and Wednesday after school. The Varsity squad sponsored the annual cheerleading camp for girls the first through sixth grades to raise money for uniforms.
