

# Pep Club Arouses Spirit And Excitement In W.H.A. Student

Pep Club worked very hard making this year a spirit-filled one for WHA students. Under the leadership of Tammy Rose, president, the Pep Club had a very productive year. In order to add excitement, Pep club members

put on skits and painted signs. For money-raising projects, Pep Club members sold hats and buttons. They also had numerous raffles for home made cakes at home football and basketball games.
