

# J.V. Boys Experience A Year Of Rebuilding

Long, hard hours were spent at practice every day after school. Ball handling and dribbling drills were practiced daily. Lay-ups, shooting and

many defensive drills improved each player's basketball knowledge and skill. Drills on beating the full-court press and in-bounds plays were among

the many strategies learned. Man-to-man, 2-3 and 1-3-1 zones were utilized on defense. The team was composed of 21 boys.
