

Logan,

I can't believe this year is almost over. And next year well be Juniors and you a big Junior. But this has been an absolutely fantastic year all together. I'm real glad we dated and got to know each other better. You aren't like most boys instead you're sweet and very considerate. I really found

Superior Motors

you to be a great guy to be around. I enjoyed working with you on Jr-Sr. I think that turned out fantastic. Logan, I want you to have a great summer, and please call or come see me this summer.

Since I'll be going into the hospital again, I could really use the company. Stay just the way you are and don't

forget how special you are. Behave but have fun!

Love ya lots,

Jim
