

Logan

you conceited, egotistical jock,

Been nice having you for a friend-  
who else knows a friend who is  
a crack shot with a pistol. who else  
knows a friend who will help  
him sink a "Bismark" with dirt  
clogs. who else has a friend who

lets him see all of his popular  
magazines. NO one else but me.  
See you tomorrow, next week, this  
summer, and next year.

Logan,  
you conceited, egotistical jock  
I'm not a hood  
I'm not a pot head  
I don't drink  
and I'm not dumb.  
It's been nice of you  
being my friend all  
these years.  
Love - Lyle
