

"Cheeseburger and Paradise"

"I like mine with lettuce and tomato, Heinz 57 and french fried potato ... which way do I steer for my cheeseburger and paradise." Lunchtime gave students and faculty time to "pig out," to share experi-

ences, to take a break from classes. By recording these times, measures of music were added to the melody. Though part of the schedule, these experiences differed from day to day, bringing about a change of tempo.
