

## "Your Smiling Face"

Logan,  
I want to thank you for all the help you gave me with my college math in study hall this year. You helped me understand a lot of things and I'm sure you'll have to help me with Calculus & next year. I enjoyed being in classes with you this year. I can't believe that we will be Seniors next year! Have a great summer. Love, *Janie*

"Whenever I see your smiling face, I have to smile myself." The contagious smiles seen at WHA brightened Monday mornings and continued to bring sunshine to each day. Laughter and smiles shared by friends brought happiness and harmony into the year's song, making it more vibrant, more meaningful.
