

Seniors Become the First Graduates of a New Decade

The Class of 1980 began the school year looking forward to being the first graduates of a new decade in time. The seventy-two members of the class seemed to draw closer to

one another as the year progressed as each senior realized he would never pass this way again. The pride and spirit of the seniors set an atmosphere of excitement throughout the school.

During the early part of the spring the seniors caught the dreaded "Spring Fever" as the anticipation of graduation day grew nearer. The class graduated May 30, 1980.
