J.V. Girls Adjust to a New Coach

Under the guidance of their new coach, Miss Stacy Hall, the J.V. Girls Basketball team worked hard to achieve a winning season. Long, hard hours were spent working on fast breaks and defensive press. Line taps and sprints added pain and agony to the crucial practices. A 2-1-2 and man-to-man defense proved successful against their opponents. Passing, dribbling, and rebound drills were practiced to gain skills.
