

'80 Annual Staff Strives to Produce Best Annual Ever

The '80 Annual Staff worked industriously to produce one of the best yearbooks yet. The editorial staff worked during study halls and after school drawing layouts, cropping pictures, and writing headlines. The business staff began its work by selling

ads during the summer. It succeeded in giving this year's annual the most ad pages ever — 46. The photographers aided in the success of the annual with their first-rate photography. Through the combined efforts of all, the '80 *Rebel* was produced.
