

Logan,
 This year has been great, but it has gone by much too fast! Basketball and football were great. I really had a super time cheering for y'all. Don't forget all those crazy bus rides - ~~remember~~ remember Ginny being a belly dancer w/ no place for the jewel. That was awful, but funny. I'm glad I was in your study hall. We really gave Mrs. East a hard time at times! Well, Have a great summer and maybe I'll see you. Drop by if you ever come through the Big Town of

Allore!
 God Bless you!
 Love always,
 Susan

Cheerleaders Arouse Spirit for Sports Events

The Wade Hampton Academy Varsity Cheerleaders worked diligently this year to boost the spirit of Rebel fans. They practiced every Tuesday and Wednesday afternoon to perfect their jumps, chants, and stunts. They then cheered untiringly at all pep rallies and football and bas-

ketball games. They gave the players many lunches, bags of candy, and buttons. The squad sponsored the annual cheerleading camp for girls in Lower School. These Lower School girls performed at two football games.

1. At a pep rally cheerleaders Kathy Booth, Franke Cope, and Mary Kate Evans encourage enthusiasm and spirit for Friday night's game.
