

W.H.A. Booster Club and Band Parents Support Student Activities

The Booster Club raised money for needed athletic equipment by preparing refreshments and collecting tickets at basketball games. They helped in the purchase of gray sweat-

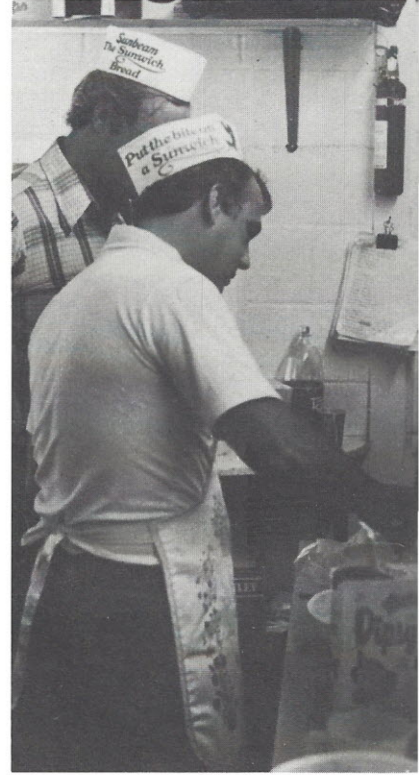

ers for the varsity basketball teams. By working in the W.H.A. booth at the fair, the parents raised more money. During spring, the Booster Club sponsored an athletic banquet

to honor the teams, coaches, cheerleaders, and Pep Club. Band parents raised money for band instruments and music by sponsoring the band fruit sale and a calendar sale.
