

# Juniors Host Seniors on Their Trip to "Fantasy Island"

On the week of Jr.-Sr., the juniors worked after school every day to create their own Fantasy Island. The lobby of the gym was pictured as an

airport terminal. Walking into the gym, juniors and seniors found themselves stepping off a plane into "Fantasy Island." The band Songbird pro-

vided music from the stage, and the sophomore waiters and waitresses presented a skit prophesying the futures of the W.H.A. seniors.
