

May Day Signifies the Arrival of Spring

The May Day celebration was held on May 5, 1979, in the McAlister Auditorium. Jill Campbell was crowned Queen and Mary Kate Evans served as Maid of Honor.

The Queen and her court were entertained by the Wade Hampton Quartet and the Octette. The sixth graders performed the traditional May Pole dance.

Field day was held for the Lower School at the conclusion of the festivities. Relay races, tug-of-war, and sack races were enjoyed by all those who participated.
