

Lower School Graduations Are Steps Forward

On June 2, 1979, eighty-four sixth graders were promoted to the seventh grade. Mr. L. R. Connor presided over the ceremony. Graduation marked the end of Lower School life and the beginning of a new life in Upper School.

Kindergartners were excited about their graduation and looked forward to becoming first graders. Graduation displayed the achievements of the students. Both groups happily received their hard-earned diplomas, and they awaited their future.
