

Dear Joganus,

This year has gone by almost as fast as you run. I'm glad, but I sure will miss everybody next year.

I appreciate all of those sides home after KEY Club. We were a bunch of wild & crazy guys in there, but "that's ok with me."

You have really been fun to be around. You were always so funny and made everyone laugh. That says a lot.

I wish you the best of everything.  
Thanks for being a friend. Take care.

Love ya, (well not like that!)  
~~Best~~ It gets to be a habit.  
How about your friend?!
