

Eighth Graders Are Super-Involved

Eighth graders this year were involved in many school activities. Some were members of Junior Student Council while others were on the Junior Varsity football team or the J.V. cheerleading squad. Some eighth grade girls showed their spirit for Wade Hampton by serving as members of the Pep Club. Involved eighth graders also participated in basketball and served as teachers' aides and office workers. Eighth graders eagerly took part in the annual seventh and eighth grade Powder Puff game and dance.

1. Eighth grader Lee Green works out in the weight room.
2. 8th grader Lee Fersner "cracks up" as he awaits the bell.
