

7th and 8th Graders Comprise New Junior High Team

1980 brought new ideas to Wade Hampton Academy's football program which included a newly formed 7th grade-8th grade football team. Coach Moss Perrow led the young boys in improving their offensive

and defensive skills and in learning the basic techniques of the game. The season consisted of three opponents which were the junior varsity teams of nearby private schools. The new team ended its season with

a 1-3 record, but the team's enthusiasm and spirit went undaunted. They look forward to playing J.V. ball.
