

1981 Varsity Boys' Season Is Filled With Excitement

1981 was a victorious season for the varsity boys as they fought for the compiled record of 19-6. Every member displayed good sportsmanship and continuous team effort. Pride in their team and support of fans gave the boys the zeal they needed as the

season progressed. Through the guidance of Coaches Louie O'Gorman and Fred Moulton, new plays were learned, defensive presses were formulated, and a running game was established to create an exciting season.
