

WHA Tennis Teams Rank High in Region and in State Tournaments

The main goal of the girls' and boys' tennis teams was to strive to do their best. They worked toward this goal daily, practicing their serves, backhands, and their singles and doubles play. The girls' team, coach

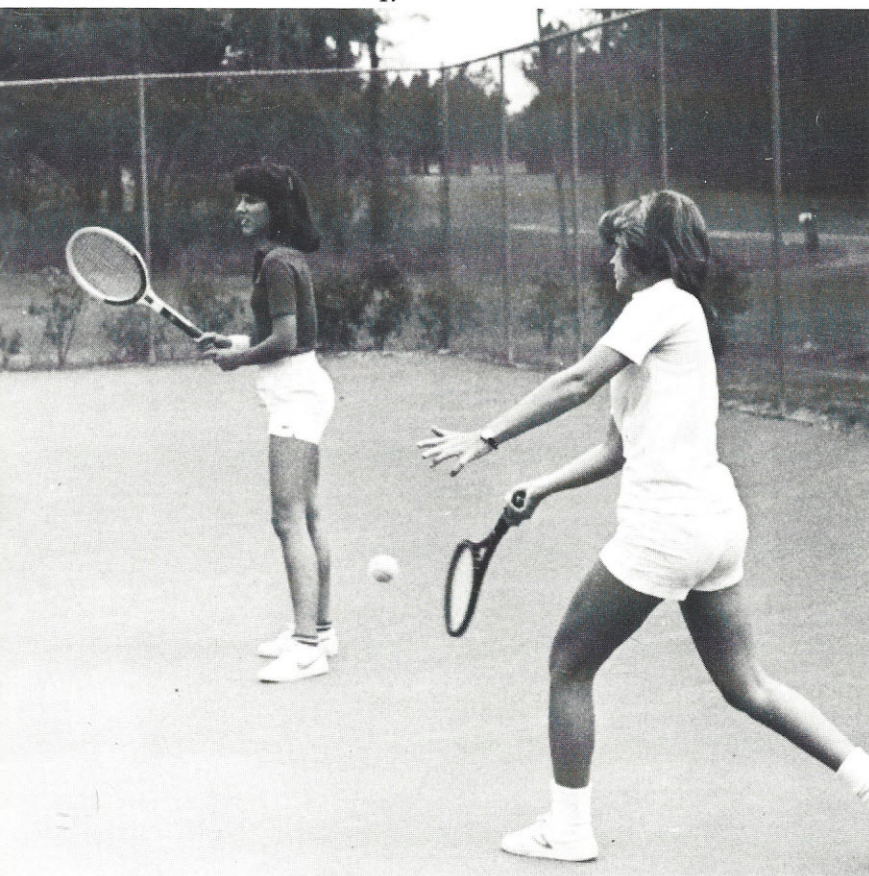

ed by Mrs. Sherrill Fender, won the regional title and advanced to state. Coached by Mr. Moss Perrow, the boys' team was region runner-up, and Robert Hunter represented WHA in state tournament action.
