

Golf and Tracks Teams Represent WHA in State Finals

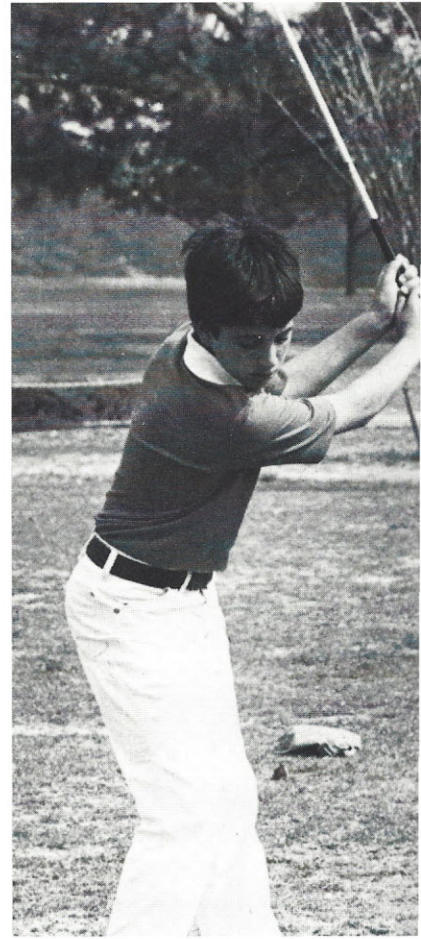

The track team members practiced daily to perfect their skills in relays, hurdles, 220's, 440's, and 100 yard dashes, under the supervision of Coaches Sam Allen and David Crosby. A select few attended the state track meet held at Francis Marion College.

In the state meet, Logan Gibbons received awards for high point totals.

The golf team, coached by Mr. Martin Cheatham, practiced individually to strengthen their putting and driving. The state tournament at Hilton Head closed out their season.
