

Student Council Works Hard to Benefit School

Student Council met every Monday after school to discuss interests and proposals pertaining to the student body and community. The Council sponsored several drives with contributions going to the Kings Daughters' Home and the Woodyard Fund. Our "Felicia" was also remembered at Thanksgiving and Christmas.

Student Council members served as hosts for the SCISA meeting held at WHA in November. Several successful dances were sponsored by Student Council.

Junior Student Council operated the Rebel store and sponsored the powder puff football game and dance. The Halloween Carnival was a joint project of the councils.

 I'm even a year
 younger than you,
 your rabbit is
 ugly. Mine is
 perty. you love
 running so much,
 I hope they run your
 tail off at the
 Citadel. Well have a
 great summer; it'll
 be your last escape
 for a long time.
 Well Ruffa
