## WHA Key Club Emphasizes Service to School and Community

The 1981 Key Club activities ranged from helping teachers during teacher work days to co-sponsoring a dance with Senior Student Council to raise money for a Christmas charity project. Members also spruced up the grounds for the SCISA teachers' meeting at WHA. As an affiliate of the Orangeburg Kiwanis Club, Key Club members assisted at the Kiwanis Club Steak House during the Orangeburg County Fair. The successful sale of Rebel flags added to the Christmas fund.
