

J.V. Cheerleaders Arouse Enthusiasm

The junior varsity cheerleaders practiced hard to perfect their cheers. They helped generate spirit and enthusiasm among the fans as they faithfully cheered for the J.V. teams. They organized and presented creative skits for pep rallies during the year. At summer cheerleading camp, they learned new ideas to make this year a great one for the junior varsity cheerleaders and teams. In the early fall the girls helped with the afternoon cheerleader camp to raise money.
