# Students Display Talents with *Pierian* and Radio Programs

Writing their own programs, six seniors broadcasted weekly over stations WORG, WDIX, and WTND. These programs kept the community informed about Wade Hampton Academy's activities.

The *Pierian* staff compiled a book of original poems, stories, and essays contributed by Upper School students. The book was made available to everyone. The sponsors for the publication were Mrs. Gregory and Miss Pilkington.

1. Senior Sandra Lorick is editor of the *Pierian*.
2. *Pierian* Staff: First Row: Sheila Rutland, Susan Cartwright, Susan Douglas, Jackie Sharpe, Sandra Lorick, Missy Davis, Karen King, Meree Davis.
