

# Booster Club and Band Parents Devote Their Time to the Academy

The Booster Club began a successful year with a hamburger supper for the football teams, cheerleaders, Pep Club members, and interested parents. WHA parents spent much time working at the Rebel booth at the Orangeburg County Fair and at the concession stand at the basketball games. At the beginning of basketball season a hamburger supper was given for the four basketball teams and interested patrons.

Band parents sold cakes and cookies at Earle Dukes Barbecue to raise money. Their second successful fruit sale provided the money to purchase new sheet music for the band. They also raffled a handmade quilt at the Halloween Carnival.
