

Logan,

Well, this is it! You are finally a Senior! This has been a long, trying year, but I sorta don't want to see the year pass by. I wish you all the luck on the world next year at Citadel. Once you get there, send me your address we'll miss Do I can write you! You must year! So don't be a stranger! You're always made me feel like I'm special in some way. I know I've been a butt to you, but I never meant to be. You always gave me your support and at times, I really needed it. I'm very proud of all your accomplishments and proud to call you a friend! Member of F.D.I.C. Thank you for being there when I needed cheering up. - you always make ^{me} smile. Remember when you stuffed that mess out of the bus seat up your nose? That was funny! Oh, yes... when are you gonna finish teaching me to snag? I need help! Next time
