Logan,
Well this year is almost over and I good. I hope you're successful at the Citadel; I know you will be. I can't think of anyone in our class who could survive close these past years as we have in the times. **The SMITH'S "66" & MARINE** in your hands when I was hanging from the rafters. Sorry we didn't get to prove we were the best 2 defensive ends in the state but I guess I just had to get hurt so our defense wouldn't be so awesome. However you proved to be a very good player taking up my slack and being named **Track All American** too. Also you were walk-a-thon champion senior year. Be proud of yourself. Take care, just give me a ring at Clemson!
