

cont. from PG 178 -
Logan - I'm not going to preach
this year - I said it all last
year - (if you've forgotten - go
back & read it) - All I really
want to say is that I'm

PHILLIP'S

gonna miss you - & take
care of yourself & don't let
"inworthy" people play games
with your mind - because
they'll try - Be careful -
it's a cruel world -
(sometimes)

P.S - it's
still not too
late to reconsider
your choice
of colleges -!
love,
Allison W.

Logan,
The Citadel I imagine ~~that~~
will be a true experience.
I hope you can take a
lot of abuse. Chemistry is
nearly over and I'll
never forget it. We

HAYDEN'S NURSERY

had a pretty good time
all around AND the lab
was debatably a great
place. **LANDSCAPING** and
I bet you wish you
had the answers
to the

Well it's our twelve years of
pain. but you're going to the Citadel
which is twice
as bad. All these years
and you **CLARENCE** go off to the
Army. Well good luck. have
a great life and may all the
AND
luck in the world be with you.
Don't forget us. Come to see
us.

your
Best friend,
Eddie
